

Teamer profile

General information

Name: _____

Date of birth: _____

Address: _____

E-Mail: _____

Tel.-Number: _____

Education/profession: _____

Experience/Qualification

Have you participated in any Volksbund camps yet?

There are other organisations besides Volksbund - have you ever worked as a teamer for other organisations?

Have you attended the JULEICA training or have other qualifications which can be interesting for camps? If so, which ones?

We are not looking for language geniuses, but depending on the country and target group, certain language skills can be an advantage. Which languages do you speak?

Interests and Motivation

What do you particularly like about our camps? Why would you like to (continue to) volunteer with us?

Are there any countries/regions where you would especially like to volunteer as a teamer in a camp?

Our projects often have special focuses (education, work, exchange, creativity...) or specific compositions (kids, international, binational...). What suits you best? Or what would you like to try out?

Is there anything else you want to tell us?

By submitting this profile, I agree that the Volksbund may store my data electronically and use it for the Volksbund's youth and school work. The data will not be passed on to third parties.

Date /Signature

Please send the filled out profile to the Department of International Youth Exchange to workcamps@volksbund.de
